REENTRY SERVICES

COMMUNITY REINTEGRATION SERVICES PROGRAM

CRSP empowers clients to make sustainable personal changes that positively impact individuals, families, and our community.

Services of CRSP include employment readiness, assistance with meeting basic needs, life skills, and connecting to social support, based on the individual's goals.

This program is collaboration between the Department of Corrections, Delaware Center for Justice, Inc, and multiple community partners in the state of Delaware.

TRANSITIONAL REENTRY SERVICES PROGRAM

The Transitional Reentry Services provides support services for individuals being released from level 4 or 5 institutions within the state of Delaware.

DCJ has partnered with Delaware's Department of Corrections to create individualized discharge plans that facilitate seamless transition into the community within the first 90 days following release an individual's release. and provide supportive services.

The project is heavily focused on case management, peer support, and transportation to lay the foundation for successful long-term reentry.

WOMEN IN TRANSITION

Women in Transition delivers educational instruction using the Moving On curriculum, designed specifically for women who are involved in the criminal justice system.

The overarching goal of the program is to assist women in mobilizing and developing personal and social resources that mediate the impact of risk for future criminal behavior. The program targets criminogenic factors in order to reduce recidivism and promote healthy living, thus improving one's capacity for life's various stressors.

Women build human, social, and emotional capital necessary for successful reentry into the community and greater ecosystem.
